21st Century Naturalist Camp

Tuesday July 13 – Thursday July 15

As parents fret over unplugging our kids from the technology of today, we'll have fun using technology to “plug” into the outdoors! Your child will have a chance to go geocaching with GPS units, record videos of their outdoor studies, and learn to share their outdoor experiences online with friends and family. Also enjoy campfire stories, beach breaks, fun games, and more in 3 busy days!

Make your own Geocache
